C. S. BALASUNDARAM IYER,

Officiating Secretary to Government, General and Revenue Departments

WATER-SUPPLY AND STORES DIVISION.

Dated 3rd August 1911.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Water Supply and Stores Division, up to 28th August 1911, for supplying 500 tins of kerosene oil for Harihar Water Works at Harihar Pumping Station, at 50 tins per month. The work should be completed by the end of June 1912.

2. Tenders should be submitted on printed forms, which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

<i>Description of work.</i>	<i>Unit of work.</i>	<i>Rate per unit.</i>
-----------------------------	----------------------	-----------------------

3. Each tender must be accompanied by a deposit of rupees fifty in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for supplying kerosene oil at Harihar Water Works," in default of which, tenders will be rejected.

4. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

5. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

6. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

7. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
